Automatic Payment Plan

Most Frequently asked questions:

How does a resident/customer sign up for the Automatic Bill Payment Plan? Simply complete the enrollment form information, attach a voided deposit ticket, check or savings account information to the form and return to City Hall.

How long does it take to get on the plan? It depends on when you sign up and when the billing cycle is; your account could be converted by the next billing. You should continue to pay as normal for your utility bill until your bill states “**AUTO DRAFT do not pay**” in the bottom left corner.

How will I know the amount of my bill?

Utility Billing: A normal bill will be sent to you each month; the bottom left will state “**AUTO DRAFT do not pay.**” The amount of the bill will be withdrawn on the 20th of the month. If the payment date falls on a weekend or holiday, the transaction will be made on the next business day.

Taxes: A normal tax statement will be sent to you on July 1st and December 1st each year with the amount that will be withdrawn. If the payment date falls on a weekend or holiday, the transaction will be on the previous business day.

Is there a charge for the service? No. The Automatic Bill Payment Plan is offered to you free of charge. Most financial institutions do not charge for the service. Please contact your financial institution if you are not sure.

What if I need to make a change? If you make any changes to your address, or your checking/savings account, you will need to complete a new enrollment form with the new information and return to City Hall.

How does the resident/customer know that a bill has been paid? Each bill paid will be clearly itemized on your financial institution’s account statement.

How do I cancel my Automatic Bill Payment Plan? Complete the enrollment form with your name, address, signature and the cancellation box checked, and return to City Hall.
