

This is a letter of objection. The property owners or residents of the City of Tawas City who prefer that their properties **NOT** be treated for Mosquito control are to **notify the City of Tawas City** as soon as possible using this form with the required information filled out. These notices will be forwarded to APM Mosquito Control so they can create a buffer and exclude your property from being treated.

We, the following, **DO NOT** want our property treated for mosquito control in 2025.
