# Boat & Marine Shrink Wrap Recycling

Iosco County Recycling is participating in the Michigan Recycling Coalition's Recycle Run. This program offers boat owners an opportunity to recycle their shrink wrap!

## How Do I Participate?

**Pick Up Your EZ-Fill Recycle Run Bag:** Available at the Iosco County Treasurer's Office, located at 422 W. Lake St. Tawas City until May 31, 2025. Bags are for sale for \$5. There will be a limited quantity available and will be offered on a first-come, first-served basis.

**Prepare Your Boat Wrap:** Remove all strapping, buckles, vents and zippers before placing the shrink wrap in the bag. Each bag comes with a zip tie to seal it, along with instructions on how to remove your boat covers. Bags are industrial size and can hold up to a 32' boat. One bag can hold 1 large boat cover or 1-3 small boat covers.

**Drop Off Your Bag Behind Iosco County Annex Building:** Located at 420 W. Lake St. Tawas City. Bags can be placed into the designated space next to the dumpster.

**Please Note:** This is a self-serve program, so staff will not be available to assist you with your drop off.

This program has been made possible by the Iosco County Recycling Advisory Board through the Iosco County Recycling Millage.
